

APPLICATION FOR CLINICAL or ADJUNCT FACULTY APPOINTMENT

MSU's Clinical/Adjunct faculty appointment system is used for those individuals whose primary responsibility and source of income is outside MSU, but who agree to provide educational services in support of MSU's mission. Those appointed in this system are also referred to as "prefix" faculty. Appointment length varies but is generally for three years and is renewable. Promotion is based on meeting established minimum criteria approved by the College of Human Medicine Advisory Council as well as specific department criteria.

Please type or print all information. All fields are required. Incomplete applications or missing information may delay appointment.

COMMUNITY AFFILIATION:

- Flint Lansing Midland Traverse City Upper Peninsula Southeast Michigan

DEPARTMENT: I am requesting appointment in the department(s) of:

ANY RELATIVE EMPLOYED BY MSU? Yes No *(If yes, name, relationship, title, department)

DISCLOSURE OF SIGNIFICANT FINANCIAL INTERESTS RELATED TO MSU

Do you, your spouse, domestic partner, dependent children and/or other dependents residing with you have any financial interest **related to your MSU responsibilities?** Yes No
If "Yes" please list the name of entities related to your MSU responsibilities in which you have a personal financial interest.

NOTE: You are not required to disclose travel that is reimbursed or sponsored by any of the following U.S. entities: government agencies; institutions of higher education; teaching hospitals or medical centers; or research institutes affiliated with a U.S. institution of higher education.

PERSONAL CERTIFICATION: I understand that it is my responsibility to notify the university within thirty days of acquiring any new significant financial interest related to my responsibilities above or if the details/relationships with disclosed entities change. I may notify the university by contacting the College of Human Medicine Office of Faculty Affairs for assistance.

PLEASE INCLUDE A CURRENT CURRICULUM VITAE WITH THIS APPLICATION

To the best of my knowledge, I certify that all information provided in this application is correct and by signing this application I agree to actively participate in academic service for CHM.

Signature: _____ **Date:** _____

Attachment A: Disclosure of Relevant Background Information Unpaid Faculty/Academic Staff Appointment

Final approval for your appointment rests solely with the Department Chairperson. As part of the final approval process of your appointment, the University will conduct a criminal background check, including degree verification, or, in lieu of conducting a check for those with unpaid clinical appointments, may rely on the checks conducted by the hospital/medical facility where you volunteer for MSU and are privileged and credentialed, and/or hold regular employment. Any falsifications related to your degree or academic credentials may constitute grounds to revoke your offer of appointment.

Additionally, I must inform you that the decision to recommend an academic appointment takes into account all available information regarding an applicant's professional and personal conduct. Your appointment is contingent on the University having your cooperation in learning information needed to assess your candidacy. For this reason, the University requires you to disclose all relevant facts needed to give the University a full and fair understanding of any past conduct that could adversely affect your ability to fulfill successfully your responsibilities with the university, including:

- 1) professional misconduct or sanctions (e.g., debarment by a federal agency; any form of professional discipline or license restriction or surrender; and admission or determination that you have committed research misconduct);
- 2) any formal employment disciplinary action;
- 3) any civil rights violation that you admitted or were determined by a court or other adjudicative process to have committed (e.g., sexual or racial harassment or discrimination); and/or
- 4) any felony crime for which you were arrested and charged or any serious crime (e.g., drug distribution; sexual offenses; violence involving physical injury to another person; child abuse, molestation, or child endangerment; theft or embezzlement) for which the you were convicted or pled "no contest."

Finally, during the course of your appointment, if any of these arrests, conviction or events occur, you are required to self-disclose this information within 72 hours or at the earliest possible opportunity via the Michigan State University Self-Disclosure Form located on the HR website at hr.msu.edu.

Engagement in any such conduct will not, in and of itself, disqualify you for an appointment at the University or result in termination of your current appointment. But, your failure to disclose such information, or any misrepresentation you make in connection with the disclosure, would be grounds to revoke your offer of appointment or terminate your current appointment.

Attachment B: Relationship Violence and Sexual Misconduct (RVSM)

Michigan State University is committed to maintaining a learning and working environment for all students, faculty, and staff that is fair, humane, and responsible – an environment that supports career and educational advancement on the basis of job and academic performance. Relationship violence and sexual misconduct subvert the mission of the University and offend the integrity of the University community. Relationship violence and sexual misconduct are not tolerated at Michigan State University.

The University will respond to complaints, reports, or information about incidents of relationship violence and sexual misconduct to stop the prohibited conduct, eliminate any hostile environment, take steps to prevent the recurrence of the prohibited conduct, and address any effect on campus or in any University programs and activities regardless of location.

The purpose of the Relationship Violence and Sexual Misconduct (RVSM) Policy is to define relationship violence and sexual misconduct, describe the process for reporting violations of the policy, outline the process used to investigate and adjudicate alleged violations of policy, and identify resources available to members of the University community who are involved in an incident of relationship violence or sexual misconduct.

The RVSM policy as well as frequently asked questions may be found here:
https://www.hr.msu.edu/policies-procedures/university-wide/rvsm_policy.html

I have received the Relationship Violence and Sexual Misconduct (RVSM) training materials. I have read the policy and agree to abide by its terms.

Attachment C: Participation in the academic mission of CHM

Faculty are expected to work with CHM medical students or in academic pursuits on behalf of the college for a minimum of 40 hours per year including time spent training medical students during regularly scheduled clinical time. CHM recognizes that we do not have sufficient numbers of medical students to allow all faculty the opportunity to work with medical students for 40 hours per year. As such, we will consider substantial teaching roles in sponsored/affiliated residencies/fellowships to satisfy the time requirement as long as faculty agree to teach CHM medical students when requested.

While a conversation with a CHM representative is best for evaluating teaching participation, we have provided examples of how faculty can meet the 40 hour requirement working with students during regularly scheduled clinical time. To better understand these examples, please review these descriptions of three important components of the Shared Discovery Curriculum:

- ECE is the Early Clinical Experience for first year medical students that lasts for 16 weeks (October through February). The placements are in primary care settings only. Students work primarily with the non-physician members of the health care team.
- MCE is the Middle Clinical Experience for second year medical students that lasts for 30 weeks (June through February). Students rotate through multiple healthcare settings including primary care, specialty and non-physician based settings as well as inpatient and outpatient locations. Rotations last one, two or four weeks based on the experience.
- LCE is the Late Clinical Experience for third and fourth year medical students and runs year-round. Students complete required clerkships and elective rotations. Required clerkships are four weeks in length. Elective rotations are two or four weeks in length.

Examples of how faculty can meet the 40 hour requirement working with students during regularly scheduled clinical time:

1. 1 ECE student (24 hours per year) and 1 clerkship student per year (hours dependent on specialty)
2. 1 ECE student (24 hours per year) and 2 MCE students (each student is 12 hours/week for 1-week rotations per year)
3. 2 ECE students (each student is 24 hours per year)
4. 1 LCE student (hours dependent on specialty)
5. 4 MCE students (each student is 12 hours/week for 1-week rotations per year)

Additionally, CHM is always looking for faculty to participate in the following activities:

1. Facilitation of Advanced Skills and Knowledge Sessions (ASK) for LCE Students
2. Career Mentoring
3. Interview preparation for students prior to residency interviews
4. Admission interviews
5. Research and scholarly activity
6. Evaluating students in simulations and oral exams
7. Tutoring

When your application is submitted to the community campus, a CHM representative will contact you to discuss how best to meet this requirement.
